

c orpact

Corporate actions for tokenized stocks, booked from the issuer's own record.

DEEPAK AGASHE · ADITYA PUNDIR

XSTOCKS · 654 RECORDED CHANGES

641 of 654

changes carry the label Dividend in the issuer's own feed. Five of them paid no cash at all: four spin-offs and one stock dividend, which pays in shares, not money.

NO TRANSACTION

0

Transactions touch the holder's account when a scheduled change takes effect.

SIZE PROVES NOTHING

+2.93%

The largest real cash dividend in the record.

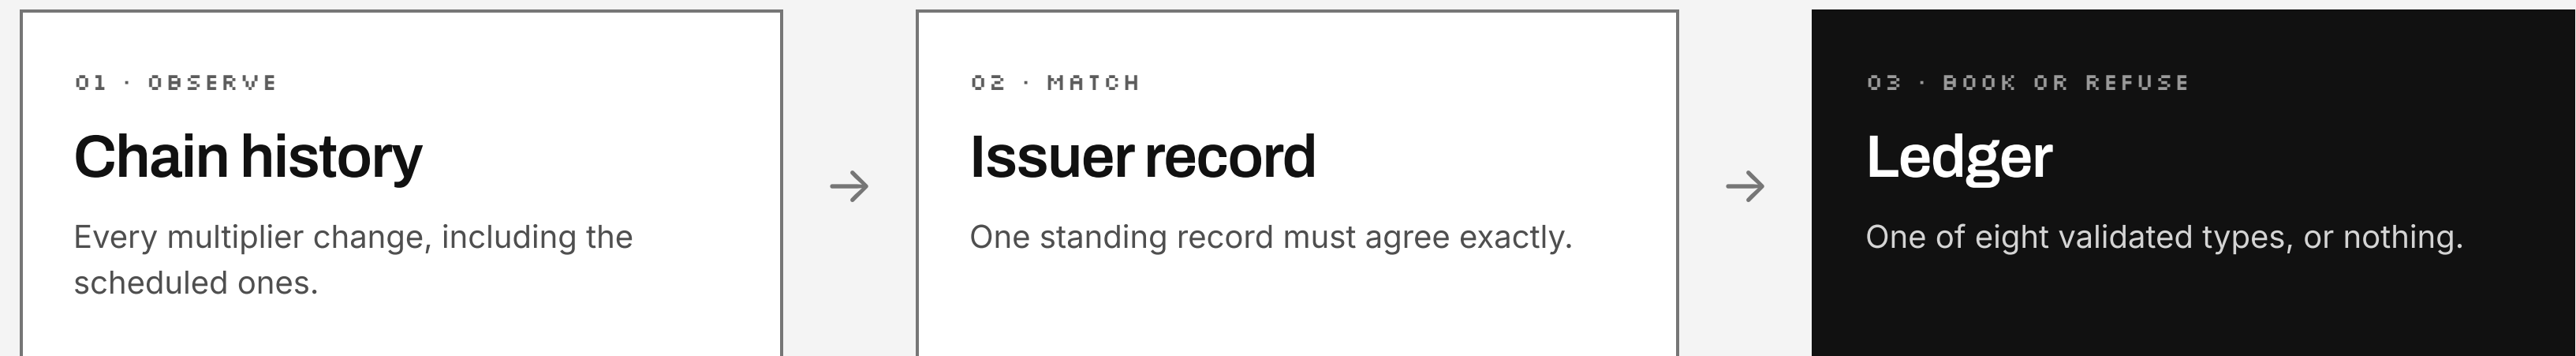

WHAT IT COSTS

+95.11%

A spin-off the feed called Administrative.

Corpack books what the change actually was.

Every change is matched to the issuer's own record before anything is written.

When the evidence is missing, it books nothing.

■■■ GET /V2/ACTIONS · LIVE MAINNET · READ-ONLY DEMO KEY
<pre>"symbol": "K0x", "type": "unknown", "treatment": "not_booked", "usd": null, "reasons": ["No published issuer action matches the observed multiplier change"]</pre>
Across the recorded year, six changes could not be matched to a standing issuer record. None of them produce income or a dollar value.
